

January 2015 Blog Miss Whites Class

January has been a very busy month in our class.

We learnt about Spain and Romania.

We learnt to say Hello in Spanish “Hola”

We studied the culture ,Language and customs of the countries, and how life is different to here. We particularly enjoyed learning about bull fighting in Spain and about the largest food fight that is held in the city of Paloma .

We learnt to say Hello in Romania “Buna”. We learnt how they celebrate the Spring by making masks to frighten away Winter.
