

My school

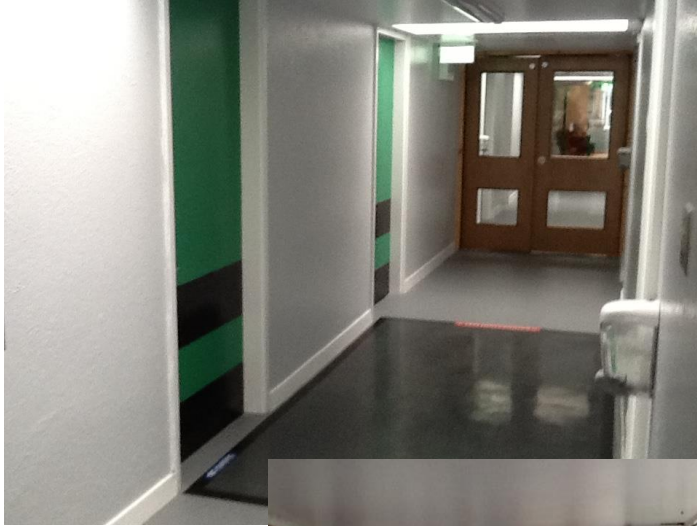

My school is School of the
Divine Child, Lavanagh

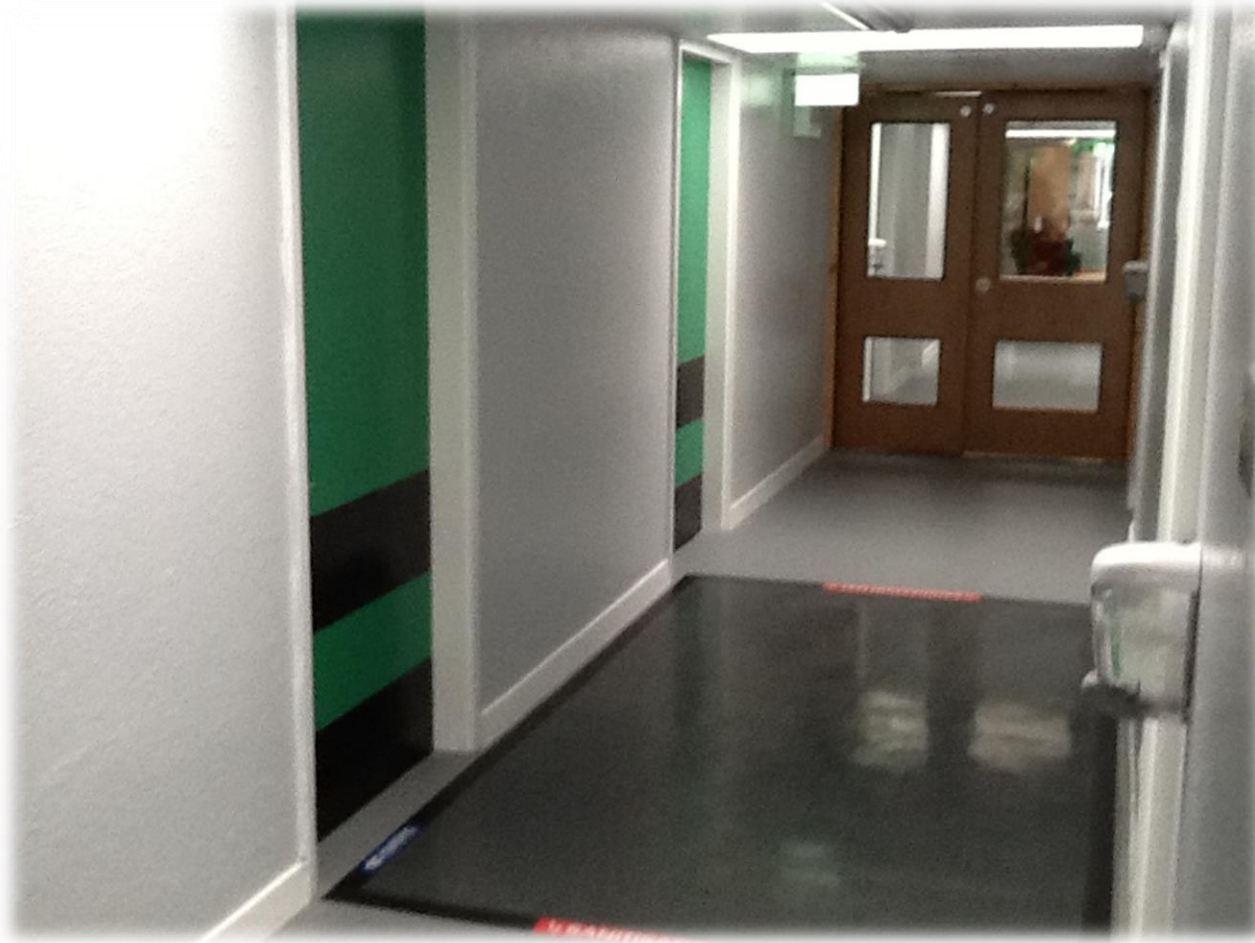

Take a look around our school...

The doors are green, red, yellow and blue.

This green doors on the first corridor bring us to Secondary School and the Principal's office.

The red corridor leads to the hall. After that we walk past the blue and yellow doors until we find our classroom.

We have blue, yellow and green doors.
Behind these doors there is a teacher
waiting for you!

See the classroom inside the green door.

Teachers and SNAs are also in the classrooms.

Our School Hall where we do PE and have parties and celebrations.

We bake in our home economics classroom.

We love Music and we have a music room.

If the weather is fine we go outside and play different games.

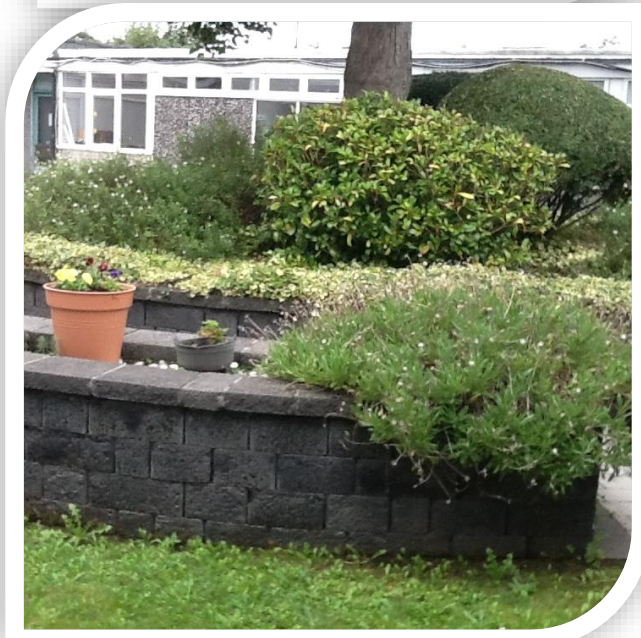

There is a big
tree in the
middle of our
school.

This men from Mainport built a
playground for us around the tree.

Now we have a beautiful sensory garden

Have a look to our video.
